

Cabin Depressurization, Fire and Smoke

Dr. Paul Buza is a board certified Neurologist specializing in advanced diving medicine and aerospace physiology. Dr. Buza is the founder and medical director for the Southern AeroMedical Institute- SAMI and a JAA/ATPL Human Performance Instructor. Dr. Buza's presentation is titled "Cabin Depressurization, Fire and Smoke". This will emphasize Dr. Buza's prior seminars on hypoxia but add a new element of fire and smoke in the cabin. This discussion will emphasize mask and oxygen delivery systems.

Directions: Park in short term parking lot. Parking vouchers will be provided. Parking is free. Enter the main terminal building, up the escalator and follow the signs to the safety seminar. Fly-In aircraft, Sheltair is the closest FBO, about a 5 minute walk to main terminal. Sheltair will not charge a ramp fee to seminar attendees on the seminar day. Sheltair phone 386 255 0471.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
